Full time

Wage negotiable

Nursery Hand / Team leader – General Duties

We are looking for a responsible, self-motivated Nursery Hand to join our Dispatch and Production Team. Experience working in nurseries is an advantage, though all training will be provided.

If you are interested in working in Horticulture or have relevant industry experience in production nurseries or garden and landscape maintenance, please forward your resume.

Full time position available.

Key Responsibilities:

DISPATCH & PRODUCTION ROLE AVAILABLE

- * Selecting and picking and labelling plants for orders
- * Preparing plants for dispatch
- * Plant Production & General Nursery Duties. Perform a range of tasks for successful plant production and plant quality management, including potting-on, pruning, fertilising, irrigating, nursery hygiene, weeding and appropriate pest and disease control.
- * Use of tractors and nursery machinery
- * Local deliveries and picking up of stock
- * Production Data entry

Key Attributes:

- Be fit and healthy (these are physically demanding roles)
- Willing to work as part of an all-weather, outdoor Team environment
- Follows directions easily
- Good verbal and written communication skills
- Self-motivated with initiative to take action
- Eye for detail with plant maintenance and presentation
- Plant knowledge and experience with nursery machinery an advantage
- Own vehicle and drivers licence essential

Hours: 7:30am – 4:00pm Monday to Friday
