Remuneration is based on the NSW Nursery Award. We have a KPI based, profit sharing incentive with all permanent staff after they have worked with us for 12mths full time.

Requirements:

Honest, with an enthusiastic work ethic, motivated and genuinely interested in establishing a long term career with Daleys

Excellent, positive communication skills demonstrated through reading, writing and speaking to colleagues, customers and suppliers.

Attributes to contribute to a positive team environment, our most valued asset.

Good computer literacy and keyboard skills. Ability to input data via smartphone.

Strong organisational skills.

Physically fit and have the capacity for outdoor work.

5 years' experience in the Nursery/Horticulture Industry in some or all of these areas is preferred: Propagation, Potting, Fruit Tree Maintenance, Irrigation Management, Machinery Maintenance, Pest and Weed Control.

You may not have experience in all these roles, but if you genuinely think you have the ability to develop these skills then please apply.

If you feel this position is right for you, please send in your resume and cover letter outlining why you think you would be right for this position, along with listing your experience in horticulture.

We require 2 recent work Referees. Mobile and email contacts please
