

Toolijooa Nursery

Job Title: Nursery Tradesperson
Organisation: Toolijooa Nursery
Location: West Hoxton NSW 2171

Toolijooa Nursery specialises in the collection & propagation of provenance native seed & cuttings throughout the Sydney Basin & beyond.

We are looking to employ a Nursery Tradesperson who will be responsible for tasks including propagule collection, propagation, stock control, stock maintenance including pest and disease control and act as support to the Nursery Manager, Production Manager and the Leading Hand.

- Nursery Tradesperson - \$35.65 per hour

What we offer

- Great culture and working environment
- Clear career path with opportunities to progress

To be considered for this role you will ideally meet the following criteria:

- Minimum of 2 years nursery experience.
- Cert 3 in Horticulture or equivalent.
- A genuine interest in horticulture.
- 5 day a week availability.

The Nursery Award 2020 is fully implemented at Toolijooa

If you wish to apply for a position please send a current resume and cover letter to the e-mail address, postal address or fax number below.
