

Plantasy Nursery

Production Manager

A Production Manager position is available at Plantasy Nursery – a wholesale production nursery. We are a family owned & run business with a team of 8 enthusiastic staff, located in the beautiful Northern Rivers at Burringbar. Plantasy specialises in high quality tropical & rare exotic plants. Selling plants to retailers along the east coast from Melbourne to Cairns.

We are looking for a self-motivated manager to complete our team.

Requirements:

- Good work ethic
- Passion for plants
- Great communication skills
- Good team player
